On 9/24/22 at 0720hrs, Deputies responded to [REDACTED] for a report of a shooting.

Prior to my arrival, Sergeant Leavitt #2035 advised over the radio that he had a male and female subject at gun point in front of [REDACTED]. When I arrived, I immediately located Sergeant Leavitt and the two individuals. I handcuffed the male subject that was on the ground. Deputy Klinge #2449 handcuffed the female subject that was on the ground.

After the two individuals were secured, crime scene tape was put up around the property and I started a contamination sheet. After a short time, I was instructed by Sergeant Surran to transport the shooter to headquarters. During the transport, he did not make any sudden statements and were not asked any questions.

I had no further involvement in this investigation.
