On 09/24/2022 I responded to the area of Highland Rd and Westview Dr in reference to a shooting.

Just prior to my arrival I learned via radio dispatch that all involved parties were accounted for. I met with Dep PATELLA #2426 who advised that he needed assistance in securing the scene. I, along with Recruit Dep MCALEER #3504 assisted in putting up crime scene tape around the area. I then directed Dep MCALEER to generate and maintain a crime scene log by noting all parties entering the established crime scene.

Sgt SURRAN #0712 arrived on scene and directed MCALEER and I to relieve Sgt LEAVITT #2035 at a secondary crime scene located at [REDACTED] where I was subsequently relieved by PATELLA.

Crime scene logs for both locations were given to PATELLA at the conclusion of my involvement.

At no point during my involvement in this case did I have any discussions with any parties not listed, nor was I present during any interviews or interrogations.

No further information.
